Dear Cattle Buyers,

We have once again put together a catalog featuring our hard-working customers and their great genetics. You will find steers, open heifers and bred females featured in this catalog that will be selling this fall and into spring of 2026. The quality of these cattle will be outstanding, featuring influence from Lone Tree Angus and other top seedstock producers. If you have any questions, please don't hesitate to call!

Thank You!

Brad Schecher – 605-430-2787
