LONE TREE ANGUS

Fellow Cattle Producers,

We invite you to join us for our 14th Annual Bull and Female Sale. This offering represents one of the most consistent and complete sets of cattle we have assembled, and we look forward to your evaluation on February 23rd.

Our program is built on a data driven approach. We collect comprehensive performance information, including all required weights, DNA testing, and carcass ultrasound data, to provide our customers with as much useful information as possible. All bulls are evaluated within a single contemporary group, which we believe results in more accurate and meaningful ratios. In addition, we score all cows for feet, udders, disposition, and mothering ability to ensure that only our strongest maternal genetics advance in the herd.

Customer satisfaction remains our top priority. We stand behind our bulls and genetics 100 percent and are committed to ensuring our cattle meet your performance expectations. We are also pleased to present our 2nd Annual Lone Tree Customer Showcase catalog. All customers are eligible to list their calves in this publication, providing valuable exposure to a wide audience of potential buyers.

We welcome visitors to the ranch prior to the sale and encourage you to contact us anytime to discuss which lots may best fit your program. Please do not hesitate to call with any questions.

Thank you for your interest,

Brad Schecher

(605) 430-2787

Absentee Bids:

Internet Bidding: The sale will be broadcasted live on DV Auction.

Phone Bidding: If you wish to bid on the phone you may contact Brad or any of the sale staff to discuss different options. We will contact any successful absentee bidders the day after the bull sale for purchase conformation and delivery arrangements.

Announcements:

Announcements from the auction block will take precedence over any information contained in the catalog.

Video:

A video of each lot offered in the sale will be available at: www.DVAuction.com.

Sale Order:

Cattle will sell in catalog order.

Supplement Sheet:

A supplement sheet will be available sale day including scrotal measurements and updated information.

Two-Year Breeding Guarantee:

We guarantee all of our bulls to be fertile and sound for their first two breeding seasons. All bulls will pass a breeding soundness exam before delivery. This guarantee does not cover death and is void if improper management is apparent.

Year one through October 1, 2026: We will provide a back-up bull or credit the full cost of the bull minus salvage value to the next year's sale.

Example: You pay \$5,000 for a bull and an injury occurs. The bull pounds out for \$1,200. You receive a sale credit of \$3,800.

Year two, October 1, 2026 – October 1, 2027: One-third of the full cost of the bull minus salvage value will be credited towards next year's sale.

Example: You pay \$5,000 for a bull and an injury occurs. He pounds out for \$1,200. You would receive a sale credit of \$1,266.

Retained Interest:

We are retaining 1/3 revenue sharing semen interest on all bulls in the sale.

Delivery and Boarding:

Bull Option 1: We will provide free keep on the bulls until mid-April and deliver them free to surrounding states. For further distances bulls will be delivered at a fair price to central locations.

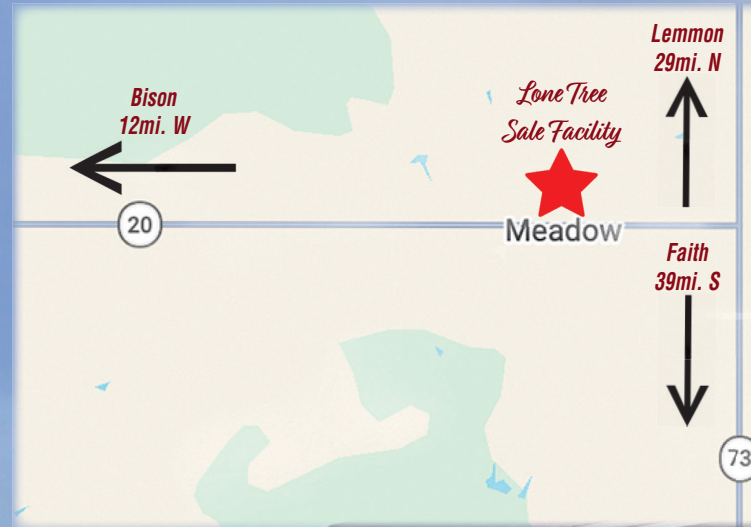

Bull Option 2: We will provide free keep on the bulls until June 1st if picked up from the ranch.

Bull Option 3: Receive a \$200 sale credit on any bulls picked up on sale day.

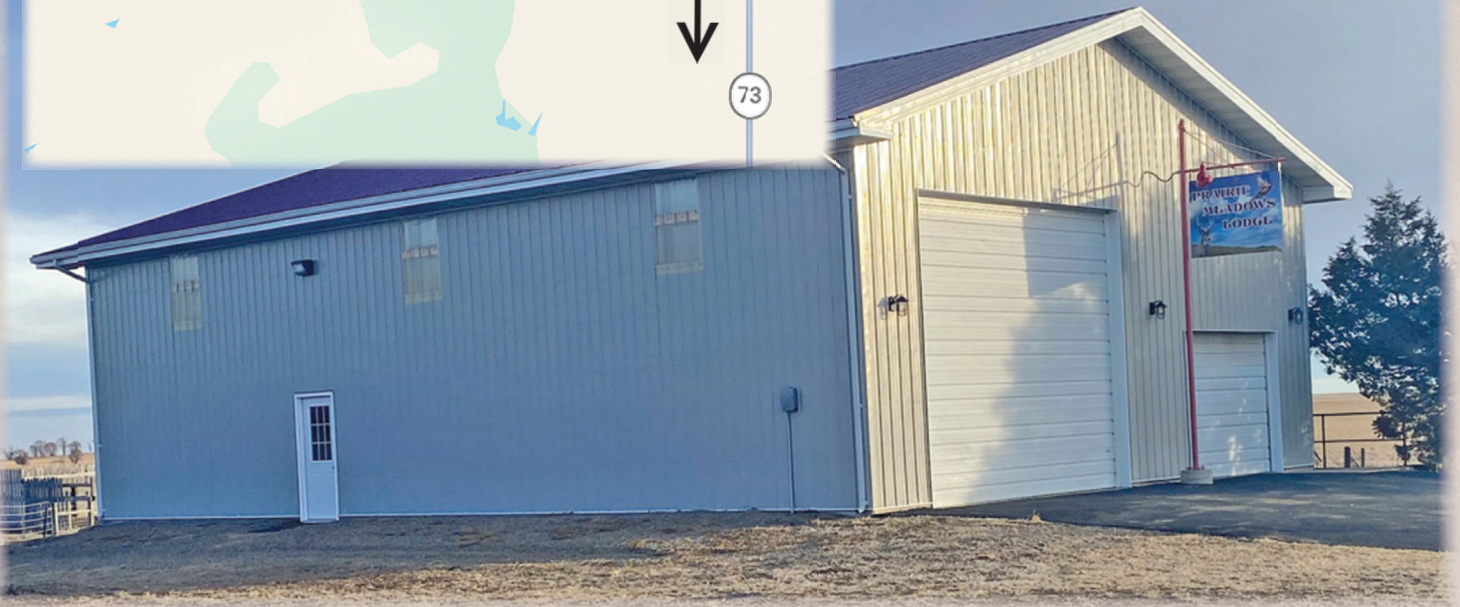

Females: Transportation for the bred females can be arranged with the buyer responsible for the delivery cost.

Lunch:

Join us for a complimentary lunch on sale day beginning at 12 P.M.

The Lone Tree Sale Facility is located directly in Meadow, SD, on the north side of Highway 20.

Visit www.dvauction.com and Register!

It's as easy as 1, 2, 3 ...

1. Create an account at www.dvauction.com under the "create new account" tab.
2. Apply for bidding by clicking "apply for bidding" in the upper left corner of your screen, at least 24 hours prior to the auction.
3. Tune into the sale and make your purchases!

Can't make the sale?

Let DVAuction bring the sale to you!

Busy during the sale?

Let DVAuction represent your bid!

For general questions, please contact our office:

(402) 316-5460 or support@dvauction.com

**High Speed Internet Access Required*

We Develop Athletes!

- ***Bulls are developed in a 25-acre pasture, allowing ample space for exercise and natural movement.***
- ***Bulls are fed for a modest rate of gain. They are never fed over a 50 Meg ration.***
- ***The development pasture is lined with high tensile electric fence, which we believe creates respect for other fences later in life.***

Lone Tree Angus is a 2025 Grid Measter Award Recipient

Last year, any bulls that did not meet our standards were banded and finished at home, then processed at the new Sustainable Beef packing plant in North Platte, Nebraska. Even our “culls” performed exceptionally well, with 100% of the carcasses grading Choice or better and 40% achieving Prime.

Lot 1

- This herd sire prospect is backed by the proven cow Lone Tree Lady D023, who has earned a 102 MPPA on nine natural calves while maintaining a 364-day calving interval.
- Lone Tree Easy Money N239 is a high-performance bull, posting an outstanding 113 weaning ratio, 117 yearling ratio, and a 122 ADG ratio.
- His progeny are positioned to earn carcass premiums, supported by a 122 IMF ratio and a 109 ribeye area ratio.
- Athletic and sound in his build, he combines strong muscle expression with an exceptional disposition.
- Answers the question "Where's The Beef?" with his top 1% WW, YW, ADG and CW EPDs.

- This standout herd bull prospect rose to Lot 2 on the strength of his elite performance, deep dark-red color, and powerful, eye-catching build.
- The dam of Lone Tree Red Carpet N118 was acquired from Milk Creek Red Angus in 2024, where she had already earned donor status — and rightly so. At 12 years of age, she still boasts one of the best udders you'll find, along with exceptional foot quality.
- The combination of Hollywood and this elite maternal cow proved explosive, resulting in the heaviest actual yearling weight in the offering.

- We open the Angus division with a high-performing, structurally sound, thick-made bull, sired by our walking bull Millars Rugger.
- He leads the group with the No. 1 adjusted 205-day weight and the No. 2 adjusted yearling weight among the Angus bulls.
- Backed by a star-studded pedigree, his dam is a daughter of a clone of 4136, the highest income-producing cow in SAV history.
